Gentlemen—I had a cough for three years, effects of grippe and not taking care of myself. I took DUFFY'S PURE MALT WHISKEY. April 19, 1898, I became so weak I believed I was unable to work. I was examined by two physicians, who told me I had bronchitis and consumption. I turned to DUFFY'S MALT WHISKEY, but I was so bitter against whiskey that I would not consent.

It was suggested that I take a dose of DUFFY'S MALT WHISKEY each day, which I did, and my health improved. I am now well again. I have not taken any medicine since. I am now working again.
